Dear Marieta and Team

I wish to take this opportunity to thank you for all the support you and your team at Immaculate Events have afforded me in the last 2 years. The day that I was referred to you, was a blessed day as you and your team have made my work more effortless.

The creativity and spark that you have added to each and every one of my events is a testimony as you how you take your work seriously and how you value your clients, irrespective of their budgets. No event is too big; too small or too out of this world for the passion you have.

I can testify to your organised manner which leaves me at ease knowing that you have attentively cared for every detail. Even when an event doesn't go as planned (which is bound to happen to the best of us), I can always trust that you are in the wings ready to swoop in and smooth things out again. This for me is a true test of your excellence – how well you do under pressure.

Thank you for always prioritising my events and making me feel like your one and only client. The care and attention is always well received.

Kind regards,

Christina Oosthuizen
